

MC Community Cloud – District Login (Existing Account)

1. Access the MC Community Cloud (<https://mcoecn.atlassian.net/wiki>).
2. Login to MC Community Cloud. Click Sign in Button.

3. Prompted To Enter Email Address. Enter District Email Address and Click Continue. If Prompted for Password, Email Address Entered is Associated with Existing Atlassian Account. If Password is Known, Login to MC Community Cloud.

4. If Password is Unknown, Click “Can’t log in?”. Enter Email Address to Send Password Recovery Link and Click “Send recovery link”.

The first screenshot shows the Confluence login page. It features the Confluence logo, the text "Log in to continue", and a form with an email field containing "email@district.org" and a password field labeled "Enter password". Below the form is a blue "Log in" button. There are also social login options for Google, Microsoft, Apple, and Slack. At the bottom, there are links for "Can't log in?" and "Create an account", and the Atlassian logo with the text "One account for Confluence, Jira, Trello and more." and "This site is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."

The second screenshot shows the "Can't log in?" page. It features the Confluence logo, the text "Can't log in?", and a form with an email field containing "email@district.org". Below the form is a blue "Send recovery link" button and a link for "Return to log in". At the bottom, there is the Atlassian logo and the text "One account for Confluence, Jira, Trello and more." with links for "Login help" and "Contact Support".

The third screenshot shows the confirmation page. It features the Confluence logo, the text "Can't log in?", and an illustration of an envelope. Below the illustration, it says "We sent a recovery link to you at email@district.org". At the bottom, there are links for "Return to log in" and "Resend recovery link", and the Atlassian logo with the text "One account for Confluence, Jira, Trello and more." and links for "Login help" and "Contact Support".

5. Check Inbox for Set Password Email. Click “Set password”, Enter New Password, Click Continue and Login to MC Community Cloud.

The first screenshot shows an email notification from Atlassian Cloud. It features the Confluence logo, an illustration of a person setting a password, and the text "Hi, We've received a request to set a new password for this Atlassian account: email@district.org". Below this is a blue "Set password" button. At the bottom, it says "If you didn't request this, you can safely ignore this email." and "This message was sent to you by Atlassian Cloud" with the Atlassian logo.

The second screenshot shows the "Choose a new password" page. It features the Confluence logo, the text "Choose a new password", and a form with a password field labeled "Enter new password". Below the form is a blue "Continue" button and a link for "Still having trouble logging in?". At the bottom, there is the Atlassian logo and the text "One account for Confluence, Jira, Trello and more." with links for "Contact Support", "User Notice", and "Privacy Policy".
