

MC Community Cloud – District Login (New Account)

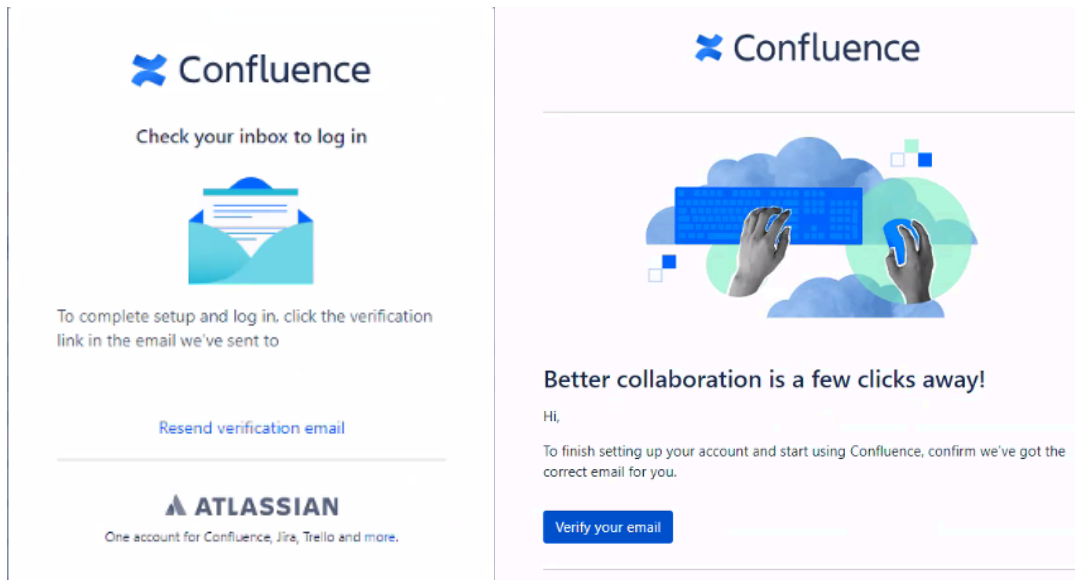

1. Access the MC Community Cloud (<https://mcoecn.atlassian.net/wiki>).
2. Login to MC Community Cloud. Click Sign in Button.

3. Prompted To Enter Email Address. Enter District Email Address and Click Continue.

4. Check Inbox for Verification Email. Click “Verify your email”.

5. Enter Full Name and create Password. Click Continue to Login to MC Community Cloud.

The image shows a screenshot of the Confluence account setup form. At the top is the Confluence logo. Below it, the text "Email address verified" with a green checkmark and "Finish setting up your account" is displayed. The form includes an "Email address" field, a "Full name*" field with a placeholder "Enter full name", and a "Password*" field with a placeholder "Create password" and a visibility toggle icon. Below the password field, there is a checkbox for "By signing up, I accept the Atlassian Cloud Terms of Service and acknowledge the Privacy Policy." and a blue "Continue" button. At the bottom, the Atlassian logo and tagline "One account for Confluence, Jira, Trello and more." are shown, along with a note: "This page is protected by reCAPTCHA and the Google Privacy Policy and Terms of Service apply."
