    - a. Have reports out end of next week
    - b. Level 2 reports in the Data Collector
    - c. Combined report of certification and HQT
    - d. Will be doing a new collection request for L when that report is ready to be turned on as a Level 2 report
- ii. Federal Child Count Reports will be out by Monday of next week
  1. Status as of October 31
  2. Will give districts opportunity to see who is missing an IEP and determine if the IEP has been completed and not entered or not even started
- iii. Will be pulling funding data later this week
  1. Have time to fix issues before pull
    - a. May pull as early as Wednesday at 5:00
    - b. May use FY17 data on a couple of items
      - i. FY17 BDD Preschool students
      - ii. Community School data on report is still FY17
      - iii. Payment will be made on FY18

1. Community Schools will be paid on FY18 data this week
2. Economic Disadvantage is the major item not completed
3. Will sent out updated spreadsheet later today
- iv. Automating Career Tech Funding
  1. Goal to automate by late November
  2. Encourage districts to make sure they are getting their Career Tech courses submitted as part of the L collection
  3. Move to live data for CTE funding in December
  4. Several appeals for FY17 in final payment
    - a. ODE is working through that
    - b. Reports will be updated for review to make sure issues have been fixed
    - c. Plan to get all appeals wrapped up by end of October
    - d. Final payment for FY17 funding (everything) in month of December

2. Questions:

- a. On the Long Grad reports, are the FC records being applied to the reports?
  - i. Yes, but process is manual and updated once a week
- b. For the FC, are they pulled from the Grad collection or the FY18 S collection or both?
  - i. They are pulled from the Grad collection, but also looking at the S collection and applying those also.
  - ii. When looking at prior collections, need to make sure no other entity has reported more recent data that is more accurate for that SSID.
- c. When will the roles for the new Data Collector be updated?
  - i. Working on that
  - ii. Hope to have it done this week
  - iii. Few minor issues identified in the data collector, so will have a hot fix
  - iv. ODE is getting the attachments for the 5 Year Forecast
- d. More conversation for ITC to have automatic access to run collections?
  - i. There will be a role for ITCs to do that
  - ii. Will have a choice whether to give the individual that access
  - iii. ITC role, not district applied
- e. In data collector for 5 year Forecast, yellow circle with exclamation mark. Is this an issue?
  - i. Part of set up ODE is doing
  - ii. Will not cause problems for submission

- f. In Stacy's presentation she talked about two ODDEX History roles in OEDS for GE-Special Ed and FA-Assessment access. The ODDEX History GE role is there, but when will the FA-Assessment be out there?
  - i. That is part of the role work being done this week
