

# ODE EMIS Conference Call Summary

July 17, 2017

Notes provided by Mary Myers (LACA), and Naja Bailey (META)

## Items from David Ehle

- 1) In the July #1 payments, deductions for tuition for FY17 was done
  - a. Level 2 report for Tuition payments
  - b. Added Payment made date to ODDEX
  - c. A couple of bugs in the tuition reports
    - i. One won't open
    - ii. The other shows every student twice
    - iii. Will have fixes tomorrows
  - d. When update for those come out tomorrow in an updated S collection, update will be implemented for SSID issue
  - e. Some students still open for flagging for window 2. Any changes made will get reflected in future payments
- 2) Newsflash late last week that DORP assessment collection was extended
  - a. July 21
  - b. Staff/Course collection closed Friday
    - i. Updated CTE reports a week ago
    - ii. Possibility the CTE reports may have a bug in them
    - iii. Not a data pull that is used for funding
    - iv. Next update to the reports will include any data changed last week as well as correcting outstanding issues
      1. CTE data used for Final #1 payment for FY17
      2. Released first week of August
      3. Grounds for any CTE or funding appeals
        - a. Appeals for funding will be after report card is released
    - v. Final #1 payment will be pulled after student data closes July 28
    - vi. Question: still having questions on the C0014 and C0015 errors?
      1. CTE FTE is calculated based on 1080 hours for traditional district or 960 for community school
      2. FTE is compared from there
        - a. If the percent of time is less than the time for the class, the FTE will be adjusted down
    - vii. Question: between the two compact districts, would the calendar make a difference?

1. The length of time uses the student dates, percent of time, and course start/end dates
- 3) Updates to assessment collections by adding missing lists
    - a. No significant errors on missing lists for OELPA and DORP
    - b. Opening up 3-8 assessment
    - c. See issues, get in helpdesk
    - d. Question: Columbus seeing significant missing numbers
      - i. Not seeing that from anyone else
      - ii. Send ODE SSIDs
  - 4) Two FY17 collections not open
    - a. Career Tech Assessment Collection
    - b. Graduation Collection
    - c. Both open through October
    - d. Open by end of the month
    - e. Pushing out FY18 cohort data
      - i. Don't represent updated data
      - ii. Before changes are made
      - iii. Will do an update in August
    - f. Question: how are missing lists created?
      - i. Combination of vendor file and student information enrollment data
      - ii. If error is because student data, fix student data and resubmit the S collection
      - iii. Can run the missing list at ODE off the latest data at ODE, so they can run it even if the assessment is closed
  - 5) FY18 Collections reporting opening soon
    - a. Retention Reporting
    - b. Student Cross Reference
    - c. Calendar Collection
    - d. SOES Beginning of the Year Student and Contact collections open by end of next week
    - e. September
      - i. Beginning of the Year Student for Traditional
      - ii. Assessments for summer/fall
    - f. Working on first draft of collection calendar to have out next week
  - 6) Questions:
    - a. Do we know what fields need reported for HB410
      - i. Four fields, date of event and what occurred
      - ii. Hope to have information for August change call

- iii. Don't need to report until January
  - iv. At this time, don't have to report what the nature of the intervention was
- b. At one time, it was stated the truancy record would be collected as a separate record similar to the special ed event record. Is that still the direction?
  - i. Yes, that is still the direction
  - ii. Makes it possible to add information if changes are required for future years
  - iii. Not surprised if there are additional changes made next year
- c. Any changes to the SSID Rollover?
  - i. No, not aware of anything
- d. Military data collected?
  - i. One time element on the FN record
  - ii. Could start surveying students to get a baseline
  - iii. Any point in time during the year if the parent was in military
- e. Is this all military, National Guard, reserves, active duty?
  - i. There are multiple status' involved but will wait until August Change call for more details
- f. If we are reporting a student and the other district is not, what are the consequences
  - i. ODDEX errors
  - ii. May be an impact if contract career tech
  - iii. Otherwise, almost always taking educating district for data
- g. When will the AP exam for Computer Science Principles be reported?
  - i. ODE is checked to see whether an assessment code needs added
  - ii. That score cannot be used as a substitute for an EOC, so it wouldn't matter if it didn't get reported right away
  - iii. It won't be used for this report card
  - iv. Can be reported in the G reporting period
- h. Is there going to be an ITC training in August as in past year?
  - i. Not schedule yet
  - ii. May have one in conjunction to the roll out of the new data collector

#### Next scheduled call

- 1) Next ITC call 7/31/2017
- 2) Next change call 8/9/2017 – Looks like that day will work, may be moved earlier than 10:30
