

Digital Resources for a Digital Age

INFOhio

OHIO'S PreK-12 DIGITAL LIBRARY

INFOhio is Optimized by the Management Council

Our Mission

Transform student learning by providing equitable access to quality resources and cost-effective instructional and technical support for each student, educator, and parent in Ohio.

Our Vision

Each Ohio PreK-12 student has equal access to high quality digital resources for a successful education and future.

Ages 3-5 Resources and Tools

Discover eBooks, learning games, and creation tools to help build foundational skills for early learners.

BookFlix

Grades PreK-3.
Grow literacy skills with paired fiction and nonfiction texts and engaging learning activities. A visual and auditory literacy resource with Lexile levels included.

INFOhio Early Learning Portal

Grades PreK.
Build early literacy skills in children ages 3-5 with websites, apps, eBooks, and interactive digital media.

World Book of Early Learning

Grades PreK-3.
Develop language and literacy skills in early learners with games, eBooks, and interactive digital media.

GRADES K-5 Resources and Tools

Build digital reading skills and foster innovation with content and tools curated for primary students.

BookFlix

Grades PreK-3.
Grow literacy skills with paired fiction and nonfiction texts and engaging learning activities. A visual and auditory literacy resource with Lexile levels included.

Book Nook

Grades 2-12.
Explore, create, and share video book trailers. Includes tools for teachers to integrate the creation process into instruction.

INFOhio is Optimized by the Management Council

INFOhio Services: Solving Classroom Challenges

INFOhio provides solution-based services to all Ohio schools, traditional and online, to support knowledge of how to use and integrate INFOhio's digital content and web tools into classroom instruction. We work closely with ITCs, ESCs, regional agencies, and local district curriculum staff to align our services and programming to solve real classroom challenges.

Professional Development on Your Terms

INFOhio Campus is our professional development platform created with features that keep educator needs at the forefront:

- Flexible, personalized training and development that meets your schedule
- Reflection and collaboration to help you overcome classroom challenges
- Badges, contact hours, or graduate credits show what you know
- Learning Pathways allow you to learn in your own path, pace, and place:
 - Ages 3-5 Digital Content
 - K-5 Digital Content
 - 6-12 Digital Content
 - BLUEcloud
 - Building Your Digital Curriculum with INFOhio
 - More Learning Pathways are in development

For a hands-on approach, our INFOhio trainers deliver face-to-face learning using robust INFOhio Campus curriculum and materials. Our professional development services are affordable and customizable:

- Consultation to meet your professional development needs
- Cost-effective training options:
 - No cost for regional or district sessions that are two hours or less
 - \$700 for half day (4 hours) and \$1000 for full day (8 hours) sessions including all travel costs

Web Tools that Support Your Classroom Initiative

Educators looking for free, high-quality, online instructional tools need look no further than INFOhio. We offer several web tools that support the use of digital content, blended learning, and project-based learning initiatives in the classroom:

- Book Nook
- Educator Tools
- GO! Ask, Act, and Achieve
- INFOhio Early Learning Portal
- ISearch
- IWonder
- Open Space
- Research 4 Success

Digital Content Accessed Anytime, Anywhere at No Cost

Our digital resources are a collection of high-quality content provided at no cost to Ohio's schools. INFOhio's collection can be accessed 24/7 by every Ohio PreK-12 student, teacher, and parent from any Internet-connected device in the classroom, at home, or on the go to reach a variety of media aligned to Ohio Learning Standards:

- Biographies
- Diagrams
- EBooks
- Encyclopedia articles
- Full text journals and magazines
- Primary source documents
- Streaming digital videos and more

Technical Support Services Keep Resources at Your Fingertips

Whether you consider yourself a tech-guru, or technically challenged, INFOhio is here to help. We use a suite of methods to deliver the best user experience for Ohio's PreK-12 students, teachers, and parents:

- Collaboration with your local ITC
- Help desk support
- Documentation and videos
