"Follow the Curriculum Building Road" INFOhio's Summer Webinar Series

Blended, hybrid, flipped… Oh my! We’re certainly not in Kansas anymore! The 2019-2020 school year was a challenge, and as an unprecedented 2020-21 school year approaches, schools will need to further integrate technology into their instruction to connect and engage learners. Whether learning is face-to-face, blended, or remote, INFOhio can help you make a map to build digital curriculum to use next school year and beyond. This summer, we’re off to see INFOhio’s curriculum resources. Join us Wednesdays at noon for 30 minutes as we follow the Curriculum Building Road:

- Wednesday, June 17: 12pm-12:30pm
  - Pick the Right Platform for You Stuff
- Wednesday, June 24: 12pm-12:30pm
  - Curate Standards-Aligned, High-Quality Content
- Wednesday, July 1: 12pm-12:30pm
  - Curating Quality Digital Texts, Videos, and other Digital Content for Students
