Course Catalog and Registration

Select a K-12 distance learning catalog and registration system with the primary goals of 1) expanding student learning opportunities wherever a student lives while remaining in the safety of their school building and in the care and supervision of educators they know, 2) and enabling a district to be able to continue to offer a course even if enrollment is low in their district, keeping great teachers employed.

User Group Meets: Third Thursday of the month

Scheduled Meetings

July 20, 2023 9am

August 17, 2023 9am

September 21, 2023 9am

October 19, 2023 9am

November 16, 2023 9am
